The UH60 customized Light String Kit (ALLK-60) includes the light strings listed below, storage cases (ALSB-5441 & ALBB-1) and 23 watt Florescent Teflon coated light bulbs. These custom light strings are continuous strands with Lexan light guards and intermittent electrical drops. The electrical drops reduce the number of electrical cords entering the aircraft eliminating tangled cords and trip hazards. Please note that the cords, cases and bulbs can be purchased separately. These customized light strings are designed for both the Army and Navy versions on the UH60 aircraft.

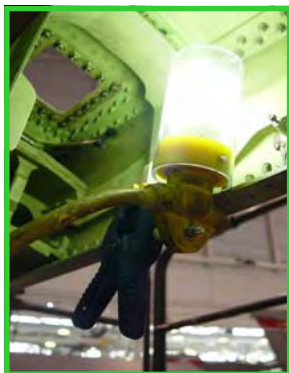

<u>Kit Part #: ALLK-60</u>	<u>Custom Light Kit for UH60 Blackhawk w/ Carrying Case</u>
F602-BCA	Cabin Area Light String (UH60) 56ft.
F602-BTC	Tail Cone Light String (UH60) 35ft.
ALSB-5441	Hard Side Carrying Case w/ Casters (1 Case)
ALBB-1	Light Bulb Storage Case (1 Case)
ALLB-123	23 W Coated Florescent Bulb (20 ea)

CH-53 Light String

Aero-Land offers a customized Light Kit (ALLK-53) for the CH-53 aircraft. This aircraft requires One Large Carrying Case (ALBB-53) of 24 light bulbs (ALLB-123). Light Strings, and a storage box (ALSB-5441) are also included in the Light Kit. Listed below is the Light String available for the CH-53 for the cargo area located on the aircraft. Each item can be purchased separately depending on the needs of the customer.

<u>Kit Part #: ALLK-53</u>	<u>Custom Light Kit for CH-53 Aircraft w/ Carrying Case</u>
F704-C53	Cargo Light String (CH-53) 95 ft.
ALLB-1	Light Bulb Storage Case (1 ea)
ALSB-5441	Hard Side Carrying Case (1 Case)
ALLB-123	23 W Coated Florescent Bulb (24 ea)

Light Cover

Aero-Land supplies custom light covers that are part of the FOD Safety Standards. Every light string available along with the covers are tailor made to suit the needs of the aircraft and the technician who uses them.

CH-47 Chinook Light String

Aero-Land offers customized Light String Kits for the CH-47 Chinook which includes light strings for the cargo area and cockpit, light string storage cases, light bulb storage cases and special Teflon coated florescent light bulbs. The light strings are also outfitted with electrical drops to reduce the number of power cords entered the aircraft. Each of the items in the kits can be purchased separately based on the customers' needs. The individual light strings for the Chinook are:

Chinook Light Strings:

<u>Kit Part #: ALLK-47U</u>	<u>Custom Light Kit for CH-47 Aircraft w/ Carrying Case Single Line Cargo Style</u>
F602-CAR	Cargo Area Light String (CH-47) 93 ft.
